PROPERTY OVERVIEW

Conveniently located in NW Gainesville with direct access to SR 121, easy access to US Hwy 441, and just around the corner from the Amazon Distribution Center, this flex space offers approximately 3,150 SF total, with roughly 1,000 SF of office/showroom and the remaining 2,150 SF serving as work and warehouse area. An additional 620 SF mezzanine loft upstairs provides bonus storage at no added cost, as it is not included in the rentable square footage. The showroom/office area has its own dedicated entrance and features a reception area, three private offices, a sorting room, small kitchen with break room area, and two restrooms. Large front-facing windows fill the offices with natural light, and an air-conditioned work room provides flexible space beyond the offices and reception area.

The warehouse features soaring 20' ceilings and a 14' roll-up door, with dock-high loading for efficient shipping and receiving, plus water fountains and washer/dryer hookups. The previous tenant conditioned the entire space for dive equipment repair and manufacturing, so the full building is climate-controlled. All walls in the work and storage areas are non-load-bearing and can be easily removed, allowing you to reconfigure the layout to suit your operation. With its versatile design and prime location, this flex space is ready to meet your business needs.
