IMPORTANT PROPERTY TAX INFORMATION

1. Taxes are due September 1, 2025 and will be delinquent if not paid **BEFORE** January 6, 2026. Interest will add at a rate of 2% on January 6, 2026 and 0.75% will continue to add to the principal taxes and fees on the first day of each following month until paid in full.
2. Partial payments will be accepted and payment coupons are included for your convenience. Account must be paid in full **BEFORE** January 6, 2026 in order to avoid enforced collections actions. A 2% discount is credited to any payments made **BEFORE** September 3, 2025. Please pay the discounted amount shown on the notice for any payments made in full **BEFORE** September 3, 2025.
3. Delinquent taxes are subject to **IMMEDIATE** garnishment of wages, attachment of funds on deposit or rents received, levy (sale) of personal property and foreclosure proceedings **AFTER** January 5, 2026.
4. Delinquent real property taxes will be advertised in the local newspaper in accordance with NCGS 105-369 if not paid in full by March 31, 2026. The name of the record owner as of the delinquency date (January 6, 2026) or subsequent owners will be advertised. The real property record owner (or any subsequent owner of record if conveyed after that date) for real property bills which remain unpaid are subject to immediate enforced collections.
5. Per NCGS 105-360(d), payments received by mail are deemed to be received as of the date shown on the U.S. Postal Service postmark. If no date is shown on the postmark or if the postmark is not affixed by the USPS, the tax payment shall be deemed to be received on the date received in the Tax Collector's Office. Metered mail postmarks from a business are **NOT** accepted.
6. Interest of 0.75% continues to add the first of each month on any prior year balance shown on this notice. The prior year amount shown is the balance as of the date of this notice.
7. A minimum of \$25.00 or a 10% penalty will be charged for checks returned due to insufficient funds or non-existence of an account per NCGS 105-357.
8. Due to postage costs, receipts will not be sent for mail payments. For proof of payment, retain the top portion of this notice for your records along with your cancelled check. Payment information is available at halifax.webtaxpay.com.
9. Per NCGS 105-285, this office is **REQUIRED** to list the owner of record as of January 1 each year. As a courtesy and in order to avoid confusion, real property tax notices are mailed to the new owner if the property has been conveyed since January 1 and the tax records have been updated. Current owners - not the previous owners - are responsible if the real property taxes become delinquent per NCGS 105-365.1.
10. If this notice is for property which you believe should be paid by your mortgage company, but that mortgage company is no longer responsible for payment, you must remit payment in full. Contact your mortgage company if you have any questions.
11. During the month of January, real property owners are required to list any new construction, additions, improvements and deletions that occurred during the prior calendar year. The value of **real property** as of January 1 of each year is based on the Schedule of Values for the County's last general reappraisal which was effective January 1, 2024.
12. The value of **personal property** is assessed as of January 1 of each year. Owners of tangible personal property are required to list their personal property each year. Examples of personal property include, but are not limited to, boats, boat motors, jet skis, manufactured homes, aircraft, campers, unregistered motor vehicles, permanent tag vehicles, International Registration Plan (IRP) tag vehicles and business personal property such as furniture, fixtures, computers, machinery/equipment, supplies, leasehold improvements, construction in progress (CIP), and farm equipment used for a trade or business. Failure to timely list will result in a late listing penalty.
13. Property taxes for registered (licensed) motor vehicles are billed and collected by the North Carolina Division of Motor Vehicles at the time of registration or renewal. Property taxes will be assessed for registered motor vehicles which were not renewed in a timely manner and therefore had a lapse in time between the expiration of the prior registration and the beginning of a renewed registration period. These "gap bills" for motor vehicles will be created and mailed each month by the Tax Department.
14. Real property may be appealed each year at the beginning of the calendar year. An informal review with a staff appraiser may be requested from January 1 until the Halifax County Board of Equalization and Review convenes. The Board of E&R typically convenes the first Monday in April and adjourns the first Monday in May. Real property appeals must be submitted prior of the Board of E&R's adjournment. All appeals – both formal and informal – must be submitted to the Tax Assessor in writing. **The real property appeal period for this 2025 property tax notice closed May 5, 2025 and may no longer be appealed.**
