Sample Finish Outs

Class A Building with High-Quality Finish Outs

The 1625 Mockingbird location is centrally located and excellent for business. The building finishes feature high-quality design and materials. Our service includes concierge maintenance. The local family ownership believes in reinvesting into the properties and invested over \$2,000,000.00 so far over the last 5 years in property improvements. Our 2021-22 maintenance & property beautification programs are fully budgeted.

The Office Retail finish outs include high-end Timely prefinished metal frames with solid core birch finish doors. These spaces have the option to be built out revealing the 12' ceilings with exposed HVAC vents and Iron beams. The office ceilings are 9' tall and use 2' x 2' reveal edge ceiling tiles. 100% LED energy-efficient motion-activated lighting is utilized throughout the offices. High-end replaceable carpet tiles are intermixed with wooden flooring. The breakrooms utilize high-end cabinetry products that feature soft-close hinges and dovetail drawers. The countertop features quartz solid surfaces with under-mount stainless steel sinks and delta faucets that have integrated pull-down spray handles. Optional upgrades are available.

All roofs are fully upgraded with energy-efficient TPO and maintain an R-29 insulation value in the office areas. The well-lit outdoor parking lots, as well as building exteriors and entrances, utilizes energy-efficient LED lighting.
