Executive Summary

Signature Centre presents a stabilized suburban office investment opportunity in the Landerbrook submarket of Mayfield Heights, anchored by a long-tenured and highly committed tenant roster comprised primarily of medical and financial service users. The $\pm 88,193$ SF property is 92% occupied with a 6.7-year weighted average lease term, providing immediate, durable cash flow supported by industries known for long-term tenancy due to patient relationships, client retention, and significant build-out investment. The rent roll is led by University Hospitals, Cedarbrook Financial Services, Allied Dermatology, Frankel Plastic Surgery, Richards Frankel Dentistry, Delguyd Walter & Associates, and multiple financial and professional services firms, with several leases extending well into the next decade, including expirations through 2035, 2038, and 2042, demonstrating exceptional tenant commitment and stability. Recent ownership reinvestment, including a \$500,000 lobby renovation completed in 2023, further enhances the building's positioning, while the surrounding 5-mile trade area of more than 108,000 employees and average household incomes exceeding \$144,000 reinforces long-term demand for professional and healthcare office space. Altogether, Signature Centre represents a defensive, income-focused investment defined by a resilient tenant mix, strong lease duration, and long-term occupancy stability.
