PROPERTY OVERVIEW

During a time where industrial lease rates continue to climb and space is hard to find, 1341 E Pine Hill offers a cost effective alternative with flexible lease terms. Space A could be a good option for manufacturing or warehousing with ceiling heights up to 21'. Space C is cold storage, and is a great budget-friendly option with direct access to a 14' overhead door. There are offices and conference rooms in the building, which, if desired, could be negotiated into the lease. Additional docks/doors can also be shared if needed.
