Frequently Asked Questions/Additional Information

4E Twin Lake Road, Hayward, WI 54843

MFL Seller Remarks:

“I have attached the DNR program documents as well as the correspondence and report form Sayer County. They like it when you run stuff through the county first. This property will be able to build in multiple locations and still keep it in the program. The county said they did a conservative survey should anyone want to build they need to get a professional survey done.”
