# A LOCATION THAT CONNECTS

The building is located in the River South District of Downtown which features Bicentennial Park and the Scioto Mile, which is comprised of 175 acres of lush parkland along the Scioto River. During the past 10 years, the City of Columbus has demonstrated this district to be a focal point for major investment, becoming the core of the CBD. The area also holds some of the most prominent Columbus events throughout the year. These events include:

- **Cap City Half Marathon** - April 25, 2026
- **Susan G Komen Race for the Cure** - May 16, 2026
- **Free Concerts** at Bicentennial Park on select Fridays throughout the summer
- **Art & Farmer's Market** - one weekend per month throughout the summer (new for 2025)
- **Columbus Arts Festival** - June 12-14, 2026
- **Columbus Jazz & Rib Festival** - July 24-26, 2026
- **Columbus Soul Festival** - September 4-5, 2026
- **Holiday Lights** - late November to early January 2027

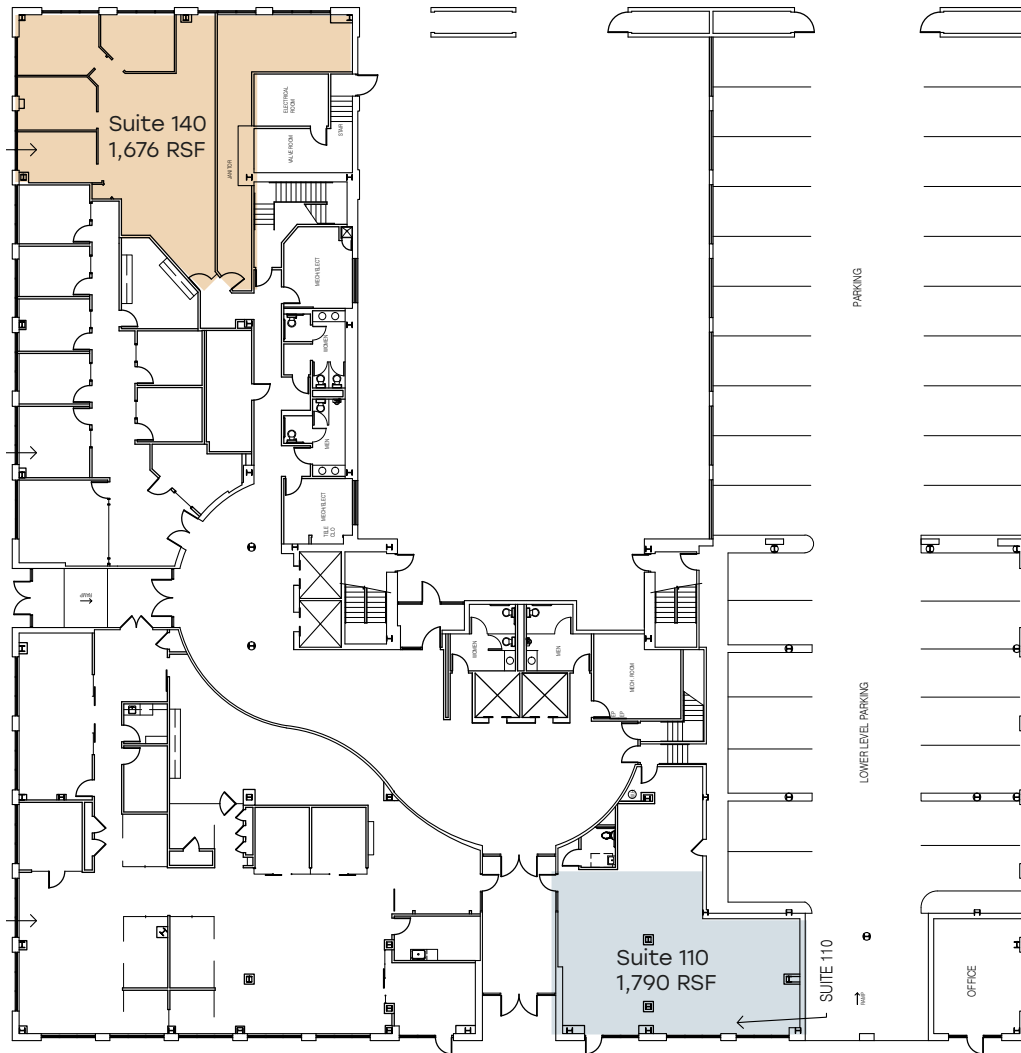

# CONVENIENT ACCESS

Bicentennial Plaza is conveniently located near and will greatly benefit from the \$1.4 billion “Downtown Ramp Up” initiative. The Ohio Department of Transportation’ revamp of the I-70 and I-71 freeways surrounding downtown Columbus is underway. In addition to addressing safety concerns and congestion problems, the construction of wider, pedestrian-friendly bridges with landscaping and parking options will help reconnect neighborhoods like Brewery District, German Village and Olde Towne East to downtown Columbus.
