Denver, CO 80290

Workspace  
Evolved

# Contemporary workspace with character.

1740 Broadway is a four-story, boutique office building located in the heart of Upper Downtown Denver. This iconic building has a rich architectural history and is being transformed into a modern office space, built for the workforce of the future. With 100,000 SF, flexible floor plans, and robust amenities, 1740 Broadway is the perfect HQ opportunity for marquee tenants.

# A shining first impression.

The building's new glass facade will flood interior spaces with natural light, while providing scenic views of some of Upper Downtown's most renowned buildings as well as the Rocky Mountains.

At night, the building becomes a beacon of light, as the transparent facade showcases the workplaces within.

# Timeless design.

The hospitality-inspired interior design blends historic architectural features with modern finishes, creating a timeless, sophisticated space conducive to innovation.
