Description

29 Mount Avenue is a steel framed detached industrial/warehouse building situated on a site with a boundary fence and two entrance gates. There are two service yards, with yard depth up to a maximum of approximately 35m, and a full vehicular circulation around the perimeter of the building.

The industrial/warehouse area has a range of minimum internal eaves height from 2.65m to 6.40m. There is high bay LED lighting, a reinforced concrete floor slab and 3-phase electricity supply with a current rating of 70 kVA, capable of upgrading to a maximum of 1,000 kVA from the on-site transformer. The industrial/warehouse area is accessed from the service yards by eight ground level loading doors and two raised dock doors.

The two storey-office accommodation has been finished to a high standard, with LED lighting, air-conditioning, glazed partitioned rooms, kitchen and staff welfare facilities.
