centre with ample on-site car parking**

Sentinel House – prestigious offices close to Fleet train station with direct links to Waterloo

Offering a prime business park location on the edge of this sought-after market town, Sentinel House ticks all the right boxes for businesses looking for a professional base with fast links to London and the rest of the South East.

Located in a popular business park just a few minutes away from the M3, Sentinel House on Ancells Business Park in Fleet is within easy reach of many key areas including Farnborough, Basingstoke and Guildford. Fleet train station is less than a mile away and offers direct links to London Waterloo, placing you in Central London within the hour. There is ample staff and visitor car parking on site.

In addition to its fantastic location, Sentinel House Building B offers high-quality office space across various sizes and configurations available on leasehold terms. The site comprises 2 interconnecting buildings with a management team, a business centre and reception on-site in Building A.

The friendly, professional management team is on-hand every working day to offer business and reception support as needed. The business centre in Building A also offers a range of meeting rooms, day offices, hot-desk hire and fully furnished and serviced offices for those businesses looking for a more flexible solution.

Sentinel House, Building B in Fleet is a two-storey office building situated in a pleasant landscaped setting in one of Hampshire's most affluent towns.

The building was built in the mid-1990s and is accessed through a well-proportioned reception area with a lift. The building provides a car park ratio of 1 space per 200 sq ft. Ancells Business Park is home to several blue chip companies and organisations such as Boeing Defence UK, L3 Harris, Keysight, Compassion UK and Rohde & Schwarz.

The Accomodation

The office space is air-conditioned, with raised flooring and LED lighting. The building benefits from a Leased line superfast internet via fibre optic cables and shower facilities. There is a mix of partitioned offices suitable for meeting/board rooms or to use as executive offices. Each of the self-contained office suites comes equipped with a private kitchen.
