Primary employment sectors

CITY OF KETTERING INCENTIVES

Community Reinvestment Area (CRA)

CRAs are designated neighborhoods where property owners can receive tax incentives for investing in real property improvements. CRA programs are designed to spur reinvestment of existing housing stock and encourage new residential development to revitalize neighborhoods. Eligible property owners who renovate existing properties or construct new buildings can receive a direct incentive tax exemption on real property.

Tax Increment Financing (TIF)

Tax Increment Financing (TIF) is an economic development mechanism available to local governments in Ohio to finance public infrastructure improvements and, in certain circumstances, residential rehabilitation.

Additionally, the City of Kettering has several internally administered incentive and grant programs. For more information, please contact:
