Description

Comprising the lower ground, ground and first floors of a beautiful former warehouse property which is currently occupied by Flowers Gallery.

The ground floor benefits from very high ceilings, window frontage to Kingsland Road and rear access to Union Walk/Nazrul Street. A wide staircase links the ground and first floor - which is currently occupied as gallery and office studio space. However the internal partitions could be removed to provide a completely open plan space which will be flooded with natural light thanks to the large windows front and back. The lower ground floor is accessed via a stairwell at the rear of the building and could be self contained by using the Union Walk entrance.

Location

Situated in a great location on Kingsland Road, close to the junction with Waterson Street and Cremer Street and being very close to Hoxton Station. There is a range of restaurants, bars and coffee shops in the immediate area as well as local supermarkets.
