DISCLAIMER

This is a confidential Offering Memorandum, which is intended solely for your limited use and benefit in determining whether you desire to express any further interest in acquiring 1511 S US Highway 301, Tampa, FL 33619 (the "Property"). You are bound by the Confidentiality Agreement executed in connection with your receipt of this Offering Memorandum. This Offering Memorandum was prepared by Transworld Commercial, a **Florida limited liability Company** broker. It contains selected information pertaining to the Property and does not purport to be all inclusive or to contain all the information which prospective investors may desire. It should be noted that all or any of the market analysis projections are provided for general reference purposes and are based on assumptions relating to the general economy, competition, and other factors beyond our control and, therefore, are subject to material variation. Additional information and an opportunity to inspect material related to the Property will be made available to interested and qualified prospective capital sources. Neither the Owner, Broker, nor any of their respective officers have made any representation or warranty, expressed or implied, as to the accuracy or completeness of this Offering Memorandum or any of its contents, and no legal commitments or obligations shall arise by reason of this Offering Memorandum or its contents. It is essential that all parties to real estate transactions be aware of the health, liability, and economic impact of environmental factors on real estate. Broker does not conduct investigations or analyses of environmental matters and, accordingly, urges interested parties to retain qualified environmental professionals to determine whether hazardous or toxic wastes or substances (such as asbestos, pcbs, other contaminants or petrochemical products stored in underground tanks) or other undesirable materials or conditions are present at the Property, and if so, whether any health danger or other liability exists. Various laws and regulations have been enacted at the federal, state, and local levels dealing with the use, storage, handling, removal, transport and disposal of toxic or hazardous wastes and substances. Depending on past, current and proposed uses of the Property, it may be prudent to retain an environmental expert to conduct a site investigation and/or building inspection. If such substances exist or are contemplated to be used at the Property, special governmental approvals or permits may be required. Consequently, legal counsel and technical experts should be consulted where these substances are or may be present. In this Offering Memorandum, certain documents are described in summary form. The summaries do not purport to be complete descriptions of the full agreements involved, nor do they purport to constitute any legal analysis of the provisions of the documents. This brochure shall not be deemed an indication of the situation of the Owner nor constitute an indication that there has been no change in the business or affairs of the Owner since the date of preparation of this Offering Memorandum. Duplication of the Offering Memorandum in part or whole without expressed written consent of Broker is not authorized.

PROPERTY INSPECTION:

Prospective purchasers will be given an opportunity to visit and inspect the property at their convenience by scheduling an appointment with ALAN KAYE of TRANSWORLD COMMERCIAL. Property Tours should be scheduled with as much advance notice as possible. Prospective purchasers may not visit the property without ALAN KAYE of TRANSWORLD COMMERCIAL PLEASE DO NOT VISIT THE PROPERTY WITHOUT SETTING AN APPOINTMENT WITH ALAN KAYE OR H. JOE STRICKLAND & PLEASE DO NOT DISTURB THE TENANTS.

Property Overview

Transworld Commercial Real Estate and Transworld Business Advisors are pleased to represent ownership in the disposition of 1511 S. US Highway 301 in Tampa, Florida. This is a highly visible commercial property situated on approximately 2.05 acres at the intersection of two of the region's most significant transportation corridors. The site benefits from exceptional exposure along US Highway 301 and visibility from the Selmon Expressway, providing outstanding branding opportunities and convenient regional access throughout the Tampa Bay market. The property is improved with three buildings that total 15,416 +/- square feet. The largest building is a two story building consisting of 11,480 +/- SF built of concrete and masonry construction. It is currently configured for educational and institutional uses and presents a rare opportunity to acquire a highly visible commercial property in one of Tampa's most active transportation and industrial corridors.

Location Overview

1511 S. US Highway 301 is strategically located in Tampa, Florida within Hillsborough County, along the US 301 corridor adjacent to the Selmon Expressway, providing excellent access to Interstate 75, Interstate 4, Interstate 275, Downtown Tampa, the Port of Tampa, and Tampa International Airport. Situated within the heart of the Tampa Bay metropolitan area, the property benefits from one of Florida's strongest growth markets, supported by a diverse economy, expanding population, and favorable business climate. The surrounding area features a mix of industrial, commercial, logistics, and residential development, creating a dynamic environment for a variety of users. Proximity to major transportation corridors, the Port of Tampa, retail centers, restaurants, hotels, healthcare facilities, and established residential communities enhances the property's appeal. With exceptional accessibility and continued economic growth throughout the Tampa Bay region, the property is well positioned for long-term success and sustained demand.

Property Description

1511 S. US Highway 301 is situated on approximately 2.05 acres. The property is improved with three buildings that total 15,416 +/- square feet. Building One is the largest building featuring 11,480 square feet. It is two story built in 1990 with concrete and masonry construction with a very flexible floor plan that could accommodate many office, educational or commercial uses for an owner/user or investor. Building Two consists of 3,190 +/- square feet built in 1999 with wood frame and a metal roof. It is one story with two bathrooms. Building Three consists of 1,824 +/- square feet built in 2000 with wood frame construction. Each building has central heat & A/C. The property benefits from exceptional exposure along US Highway 301 with convenient access to the Selmon Expressway, Interstate 75, Interstate 4, Downtown Tampa, and the Port of Tampa, providing efficient connectivity throughout the Tampa Bay region. Its strategic location within a rapidly expanding commercial and logistics market supports strong long-term demand from owner-users, investors, and developers alike.

Positioned within a rapidly growing commercial corridor, the asset offers ample room for parking with 28 spaces, outdoor uses, future expansion possibilities for additional square footage, or redevelopment. This infill site is within minutes of Downtown Tampa and numerous residential and commercial developments, making it an attractive opportunity for users seeking a centrally located property with exceptional visibility, accessibility, and long-term growth potential. There are over 35,000 residents within a two mile radius and 192,000 residents within a five mile radius. The average household income within two miles is \$83,245 and \$88,995 within five miles. Tampa Silverstar Amtrak Commuter Rail is 7.9 miles away from the subject property. Tampa International Airport is 16.5 miles away and Saint Pete Clearwater International Airport is 25.7 miles away.
