W. P. CAREY

W. P. Carey (NYSE:WPC) is one of the largest net lease REITs with an enterprise value of more than \$22.5 billion and a history of delivering steady income and growth to investors. Our diversified portfolio of high-quality, operationally critical commercial real estate includes 1,662 net lease properties covering approximately 183 million square feet leased on a long-term basis to creditworthy tenants located primarily in the U.S. and Northern and Western Europe.

wpcarey.com

Since our establishment in 1973, W. P. Carey has consistently provided asset-based net lease capital to publicly-traded and privately held companies, developers, private equity firms and their portfolio companies. Its recognized expertise in credit underwriting, ability to structure and close complex transactions and proactive approach to asset management distinguishes it from other net lease investors.
