PROPERTY PROFILE

The Boxelder Business Park is located in Wellington, Colorado which is a growing submarket of Fort Collins. It provides an alternative for businesses seeking industrial space outside of Fort Collins, which has become expensive and has limited availability for industrial development.

It's location between Fort Collins and Cheyenne, Wyoming, and it's flexible warehouse design make it an appealing option for companies looking to establish a physical presence in the area. The development includes a 52 space parking lot.

WELLINGTON, COLORADO

Wellington, Colorado is a small, statutory town in Larimer County, Colorado that's part of the Fort Collins-Loveland Metropolitan Statistical Area. It's located at the intersection of Interstate 25 and Highway 1, about 10 miles north of Fort Collins, and is the northernmost town in Colorado along I-25.

The city has a small-town feel with a wide range of activities and amenities. From the beauty of its parks and trails to the shopping and dining options available on Main Street, there's something for everyone. Wellington is known for its eclectic mix of restaurants and businesses that bring together an array of cultures from all parts of the world. Numerous outdoor activities are available year-round, including biking, fishing, kayaking, swimming and hiking.

NORTHERN COLORADO

Northern Colorado, known as the Tri-City Region because a great deal of development takes place in the region's three major cities: Fort Collins, Loveland and Greeley, which host a culture of innovation and entrepreneurial spirit among a set of diverse industries. Home to two major universities, Colorado State University and University of Northern Colorado, as well as two excellent community colleges, the region boasts a highly educated workforce. The diverse employment base makes Northern Colorado a prime area for business and industry growth.

Northern Colorado Regional Airport (FNL), on I-25 between the three cities, serves as a transportation hub for a full range of aviation users. The airport is home to many businesses and corporate flight departments that support the region's economy and connect Northern Colorado to the U.S. and other parts of the world.
