GOLDMAN | RYDEN

REAL ESTATE INVESTMENT SERVICES

Executive Summary

Goldman | Ryden is pleased to present the opportunity to acquire a single tenant absolute NNN daycare investment located in Boise, Idaho occupied by Happy Hearts Learning Center. There are zero landlord responsibilities making this a truly passive investment. The property features a 4,192 square foot purpose built childcare facility situated on 0.906 acres in a strong residential growth corridor. The asset is leased to Happy Hearts Learning Center under a new 7 year absolute NNN lease with 2 percent annual increases, providing investors with stable passive income and no landlord responsibilities. Positioned next to Pepper Ridge Elementary School and surrounded by dense residential development, the property benefits from long term demand drivers and a consistent childcare customer base.

Lease Structure: The lease is structured as absolute NNN, requiring the tenant to pay property taxes, insurance, maintenance, and capital expenditures, providing the landlord with passive ownership and stable income.

Investment Highlights

- ◆ **Passive Absolute NNN Structure:** The lease is structured as absolute NNN, eliminating landlord responsibilities for taxes, insurance, and maintenance.
- ◆ **Long Term Lease:** The tenant executed a new seven year lease beginning September 2023, providing immediate cash flow and lease term security.
- ◆ **Annual Rental Growth:** Lease includes 2 percent annual rent increases, providing built in income growth and inflation protection.
- ◆ **Recession Resistant Asset Class:** Childcare properties historically perform well across economic cycles due to essential service demand and dual income household needs.
- ◆ **Established Operating Location:** The property has operated as a daycare facility since 2005, demonstrating long term operational viability and consistent use.
- ◆ **Strong Residential Growth:** Within a 3 mile radius over 2,350 new homes have been built since 2020, driving continued demand for childcare services in the area.
- ◆ **High Visibility Corridor:** The property is located along Cloverdale Road, which sees approximately 15,000 vehicles per day, providing strong visibility and accessibility for parents and staff.
- ◆ **Family Oriented Demographics:** The surrounding neighborhoods are characterized by strong family household density, creating a consistent and natural customer base for childcare services.
- ◆ **Strong School Adjacency:** Located directly adjacent to Pepper Ridge Elementary School, positioning the property within a highly desirable location for parents seeking convenient childcare near schools.
- ◆ **Large Land Parcel:** Situated on approximately 0.9 acres, providing ample outdoor play areas and parking which are critical components for childcare facilities.
- ◆ **Boise Growth Market:** Boise continues to experience strong population growth and in migration, supporting long term demand for essential services such as childcare.
- ◆ **Stable Income Profile:** The investment provides predictable income backed by a long term lease structure and scheduled annual rent increases.

Tenant Overview

Happy Hearts Learning Center is a family owned childcare provider with years of experience in early childhood education and a strong reputation within the community.

The company maintains a five star rating on Google and operates with a mission centered on providing safe, nurturing environments where children can learn and develop.

Founded by Scott and Christina Yaeger, the business has expanded from its original California location to Boise, Idaho, where it continues to build strong community relationships with families and local schools.

About Boise

Boise is the capital and largest city of the state of Idaho in the United States. It is situated in the southwestern part of the state and serves as a regional hub for business, government, and culture. Here's a general overview of key market sectors in Boise:

Boise has a growing technology sector, with companies specializing in software development, semiconductor manufacturing, and hardware engineering. The city is home to several technology parks and attracts startups and established companies due to its relatively low cost of living and business-friendly environment.

Agriculture plays a significant role in the Idaho economy, and Boise benefits from its proximity to fertile farmland. The region is known for its potato production, along with other crops like wheat, barley, sugar beets, and dairy products.

Boise's location near mountains, rivers, and forests makes it a popular destination for outdoor enthusiasts. The city's market benefits from recreational activities such as skiing, hiking, biking, fishing, and river rafting. Outdoor retailers, tourism, and hospitality-related businesses contribute to the local economy.

US NEWS WORLD REPORT ranked Boise as the 2nd Best Place to Live in the United States. Boise is currently the 6th fastest growing city in the country and Idaho has experienced more growth than any other state according to the US News World Report FOR 2024-2025.

Boise has a strong healthcare sector, with several hospitals, medical centers, and specialized clinics serving not only the city but also the surrounding region. The healthcare industry provides employment opportunities and supports related services such as pharmaceuticals and medical technology.

Boise is home to Boise State University, which has a significant impact on the local economy. The presence of higher education institutions contributes to the city's workforce, research initiatives, and intellectual capital.

The Boise area has a diverse manufacturing sector, including companies involved in food processing, electronics, wood products, and machinery.
