Mixed-Use Environment

Eastwood Village is very selective in their leasing in order to create a unique environment for the tenants and the surrounding neighborhood. It offers space for coffee meetings at [Switchyards](#) in the morning, lunch at [The Yellow Table](#), afternoon shopping at [Kinda Collected](#) and evening dinner at [Butterlamp Bread & Beverage](#).

Eastwood Village hosts various types of markets each month to bring additional patrons and small businesses to the property.

Area Housing & Workforce

The talent is here and they want to work close to home. Eastwood Village is poised to be a perfect fit for both. According to research, their income is above the U.S. average, and they spend a large portion of their wages on rent, clothes, and the latest technology.
