

The image is a promotional graphic for 'Excelsior' office suites. It features a grid of 24 panels, each showing a different view of a modern office interior. The panels are arranged in a 4x6 grid. The central text 'Excelsior' is written in a large, white, elegant serif font, spanning across the middle four panels. Below it, the text 'BY STARK OFFICE SUITES' is written in a smaller, white, sans-serif font, centered across the same four panels. The office interiors shown include desks with computers, open-plan workspaces, meeting rooms, and lounge areas with tables and chairs. The lighting is soft and modern, highlighting the clean lines and contemporary design of the office spaces.

Excelsior

BY STARK OFFICE SUITES

PREMIER OFFICE SOLUTIONS

Redefining Corporate Excellence

Excelsior by Stark Office Suites is designed for professionals whose achievements are established and whose workspace is expected to reflect that standing. It is an environment defined not only by its quality, but by the caliber of those who occupy it — a community of peers operating at the highest level.

The result is a workspace that commands presence. Whether hosting clients, meeting partners, or managing the demands of any given day, the setting is intentionally refined: contemporary in finish, defined by panoramic views, and calibrated to leave no detail unconsidered.

What distinguishes Excelsior is the combination of institutional quality and genuine flexibility – a premium, high-performance environment that scales and adapts as business demands evolve without the structural constraints typically associated with either.

The Excelsior Difference

Refined Office Space

Refined, high-end finishes deliver a sophisticated environment that reinforces your brand, impresses clients, and reflects the caliber of leadership expected at the highest levels.

Club-Like Experience

A private club-like experience designed for executives who value discretion, prestige, and meaningful connection, fostering relationships with peers operating at the highest levels daily.

Premium Buildings and Locations

Positioned within premier buildings and coveted business addresses, Excelsior places your company alongside industry leaders. It elevates perception while maximizing convenience.

Premier Office Solutions

Excelsior delivers a refined office experience for today's most discerning professionals.

Private Offices

Individual workspaces with premium furnishings, extensive natural light, and complete privacy.

Team Suites

Collaborative spaces designed for teams of 5-15 members with flexible layouts and integrated technology.

Virtual Offices

Exclusive corporate image through trophy mailing address with mail services, executive receptionist services, and access to top-flight meeting venues.

Excelsior Amenities

Experience unparalleled luxury and convenience with our premium office amenities designed for modern professionals

Excelsior offers best-in-class amenities designed with intention. These are environments suited for hosting client engagements and more informal moments of connection alike, extending the workplace into a broader, more dynamic experience.

Amenities

Private Arrival & Executive Reception

A hospitality-driven arrival experience with a dedicated executive reception staff, overseeing discreet guest handling, and visitor management.

Fully-Appointed Boardrooms

Fully-appointed boardrooms provide an elevated setting for executive meetings, combining a strong sense of presence with the functionality required for larger discussions and presentations.

Members-Only Lounge & Club Spaces

A refined, hospitality-led lounge environment designed for informal meetings, networking, or decompression, all curated to feel exclusive and quiet.

Elevated Pantry & Hospitality Program

Premium food & beverage offerings (not just coffee/snacks), including curated refreshments, espresso service, and optional catering for meetings.

Advanced Trading & Technology Infrastructure

StarkNet's Ultra-low latency internet, redundant connectivity, and networking infrastructure is capable of supporting trading desks, data-heavy workflows, and multi-screen setups.

High-Touch Security & Access Control

Institutional-grade security defines every entry point, with controlled access, advanced monitoring, and professionally managed protocols ensuring confidentiality, safety, and seamless discretion for executives and sensitive operations.

Our Excelsior Locations

717 Fifth Avenue
Suite 1400
New York, NY 10022

717 Fifth Avenue

One of the world's most recognizable addresses

At 717 Fifth Avenue, the setting itself does much of the talking. Situated amongst global flagship headquarters and legacy institutions, the Excelsior brand carries a quiet gravity, where high-level decisions unfold in a refined environment. There's an inherent sense of permanence and discretion here, reinforced by a level of quality and stewardship that reflects meaningful investment. It's not just prestigious, it feels deliberate, considered, and built for those operating at the top.

825 Third Avenue
Suite 2100
New York, NY 10022

825 Third Avenue

Redefining the Standard of Luxury

At 825 Third Avenue, a transformative \$150 million capital improvement has elevated every aspect of the workplace experience, and Excelsior is how you access it at its highest level. Purpose-built within this reimagined environment, Excelsior delivers a curated, hospitality-driven layer within the building's already cutting edge infrastructure. The result is a fusion of elevated design, advanced technology, and personalized service tailored specifically for professionals and executives who expect more than just a modern office.

717 Fifth Avenue

One of the world's most recognizable addresses.

Positioned at the true nexus of power, this stretch of Fifth Avenue places you at the crossroads of Central Park, the headquarters of global financial and legal institutions, as well as world's most iconic flagship retail. Everything that matters is within immediate reach, whether it's a high-stakes meeting, a client lunch, or a moment to reset. 717 Fifth Avenue elevates every interaction, surrounding you with the energy and influence that defines Manhattan at its highest level.

Excelsior at 717 Fifth Avenue introduces a distinctly boutique, duplex-style environment that feels more like a private club than a traditional office. Significant capital and consideration have been invested into every detail, from refined materials to the flow of the space, creating an atmosphere that is both impressive and deeply comfortable. It's intimate but powerful, polished without being overstated, and intentionally designed to support focus, discretion, and the kind of work that benefits from a truly elevated setting.

Steps from Central Park

Enjoy immediate access to 843 acres of green space, perfect for morning runs, lunch breaks, and after-work relaxation.

Prestigious Address

Elevate your business by working at the heart of Manhattan's Plaza District where success meets convenience.

Club-like environment

Work where you feel at home and your every need is met.

825 Third Avenue

Redefining the Standard of Luxury

Steps from Grand Central Terminal, Excelsior at 825 Third Avenue places you directly within Midtown's most connected and energetic business corridor. From this vantage point clients, colleagues, and opportunities are always within immediate reach. Excelsior at 825 enhances this advantage with luxury and convenience ensuring that while the city moves fast around you, your workspace remains composed, efficient, and distinctly elevated.

825 Third Avenue provides a boutique club-like environment that feels entirely its own. Excelsior's suites with oversized Dynamic View™ windows reveal sweeping city views, bringing natural light and a sense of scale into a space designed for focus and discretion. Layered with top-tier technological support and refined finishes, Excelsior offers something controlled and more distinctive, an experience that reflects the expectations of today's most discerning professionals.

Members-Only Lounge & Sky Terrace

Well& by Durst at 825 Third blends the brand's essence with a curated outdoor experience, elevating how people gather, meet, and connect indoors and out.

Light-Filled Interiors

Modernization of MEP and Dynamic View™ glass windows combine with floor-through sight lines and high ceilings to fill interiors with natural daylight.

Commanding Executive Views

Commanding executive views create inspiring vantage points, providing a striking backdrop for decision making, and client interactions at every moment.
