PROPERTY OVERVIEW

A Turnkey Retail Suite in a High-Traffic Little Elm Corridor

Unit 400 presents 1,381 square feet of move-in ready commercial space in one of Little Elm's most active retail strips. Positioned within a well-maintained multi-tenant center, this suite benefits from consistent daily traffic along University Drive — a primary east-west connector serving the rapidly growing communities of Little Elm, Frisco, and The Colony.

The interior features hardwood-style luxury vinyl plank flooring, freshly painted neutral walls, and a drop ceiling with recessed lighting — providing a polished foundation that minimizes tenant improvement costs.

A built-in reception counter with marble-look panels and wall display shelving are already in place. Full-glass storefront doors deliver natural daylight and street visibility, while the open, column-free floor plan allows complete flexibility in configuration and branding.
