

FOR LEASE

4,150 SF Flex Space

943-945 Airport Blvd, South San Francisco

Just a quarter mile from Highway 101, this ±4,150 SF industrial building offers excellent flexibility and access. Zoned T3C with many allowed commercial uses including historic manufacturing use, this property can function as a single warehouse or be divided between two addresses, each with separately metered utilities.

Delivered vacant, it features ±15-foot ceilings, two roll-up doors, an office entry, and a new roof installed in 2024. Located one mile from the South San Francisco Caltrain Depot and .25 mi to Oyster Point Biotech hub.
