Market Overview

PULLMAN-MOSCOW METRO

PULLMAN-MOSCOW

Located in the hilly Palouse region of the Pacific Northwest, the Pullman-Moscow metro encompasses Whitman county in Washington and Latah County in Idaho. The metro and surrounding areas feature prime agricultural land growing wheat, barley, pea and lentil crops, and the region's natural landscape creates numerous opportunities for outdoor adventure. Exploring the Palouse Scenic Byway is a great way to enjoy the area's picturesque beauty. The metro is home to Washington State University and the University of Idaho, both of which have a significant impact on the local economy and demographics.

* Forecast

METRO HIGHLIGHTS

POPULATION

The 2023 estimated population for the combined statistical area of Pullman-Moscow is 86,186.

EDUCATION

The metro is home to Washington State University and the University of Idaho, which is located less than 10 miles apart and enroll more than 27,200 students and employs more than 5,000 faculty and staff combined.

AGRICULTURAL HUB

The Palouse region ranks as a leading producer of many crops, including wheat and lentils. Whitman County is one of the top wheat-producing counties in the United States.

TOURISM AND RECREATION

The Snake River runs through the region, providing fishing, boating, hiking and wildlife viewing. Kamiak Butte County Park, Moscow Mountain and Steptoe Butte State Park are among the many scenic areas that draw outdoor enthusiasts.

TECHNOLOGY & MANUFACTURING

Schweitzer Engineering laboratories (SEL), the largest private employer in the metro area, anchors the regions growing technology and manufacturing sector. Founded and headquartered in Pullman since 1982, SEL specializes in creating digital products and systems that protect, control, and automate power systems around the world. In April 2023 SEL, completed construction and began production at its 160,000 sqft manufacturing plant in Latah County. Meter Group Inc, and Amplicon Express are other companies in this sector.

Subject site is within 9 miles
of both Washington State
University and University of
Idaho

April 5, 2023 | 7:52 A.M.

“Washington’s top city to live in is Pullman, a city in the southeast part of the state with lush natural surroundings and a strong agricultural tradition. As home to the international headquarters of Schweitzer Engineering Laboratories and Washington State University, Pullman boasts an affluent and well-educated populace”

- 2019 WA Chamber of Commerce

“It is in this paradise of the Great Northwest that you find the small town of Pullman WA, one of the best places to live in the U.S.”

- 2022 eXp Realty

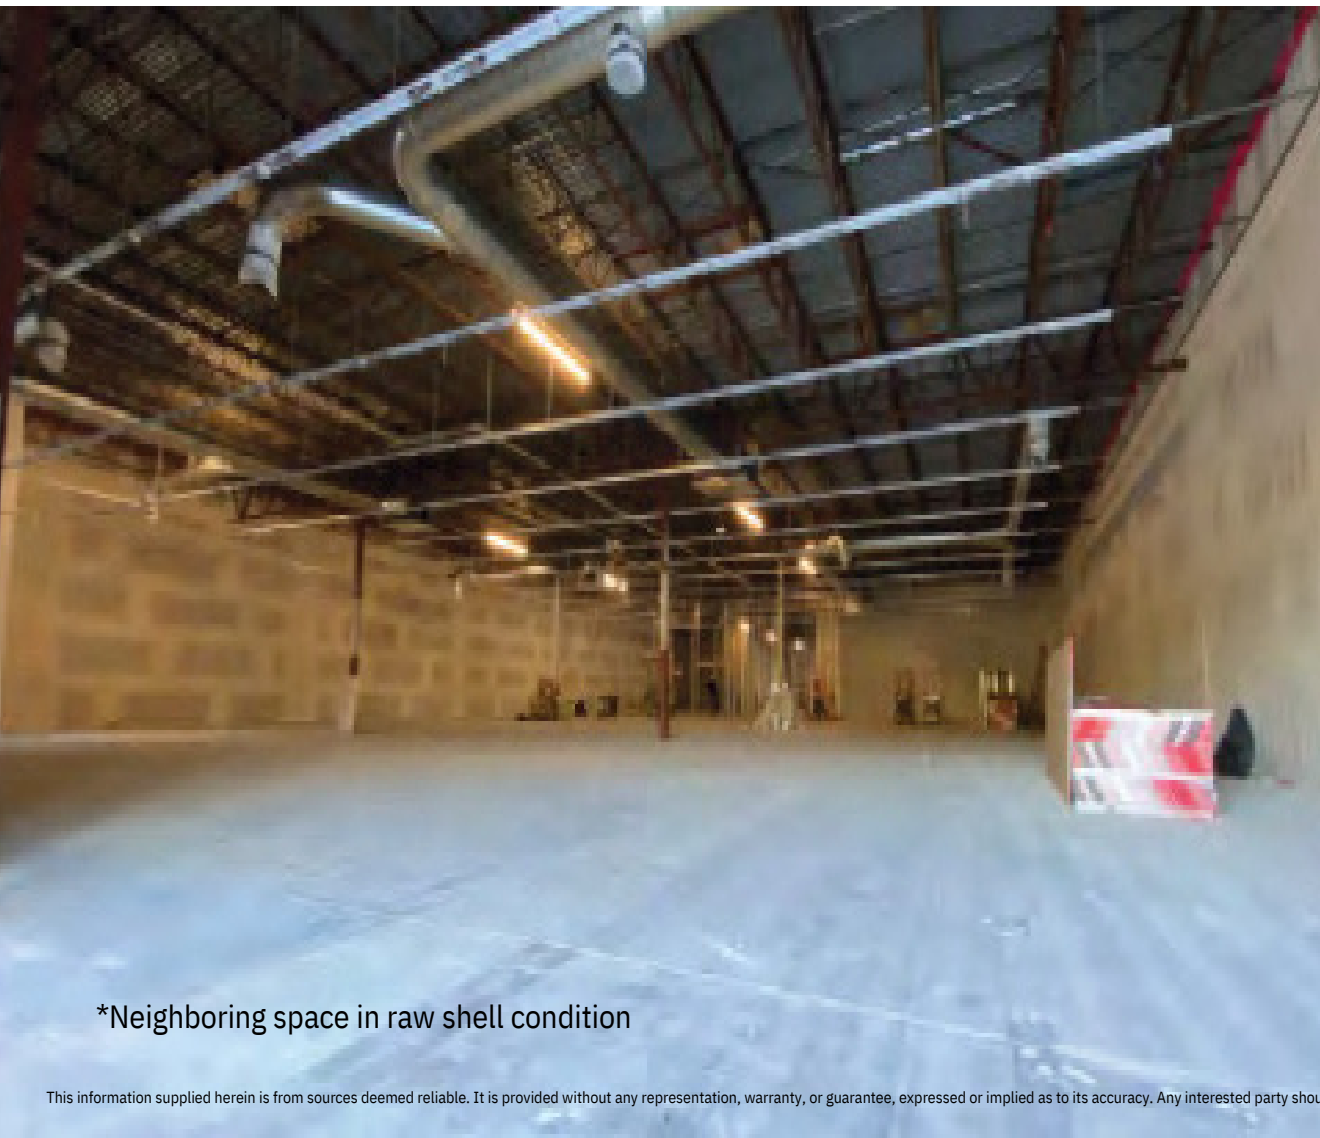

“Pullman is a great choice for anyone looking to combine big-city attractions with a small town vibe and affordable cost of living.”

- 2023 Money Inc naming Pullman
#3 of best places in Washington
