Good Morning Steve,

Yes, the property located at [380 Dick Road](#) can be used as a private storage facility. We will need to review a concept site plan for the project site and go through our development review process for approval. Once you have a concept together, please feel free to reach out and we can schedule a preliminary meeting to go over the timeline/ process. If you have any additional questions, please feel free to contact me directly.

Sincerely,

Nicholas T. Cultrara
