This offering presents a unique opportunity for a tenant to customize the interior build-out to meet their specific operational needs. Interior finishes, including the concrete floor, electrical system, heating system, lighting, and final utility installations, will be completed in collaboration with the tenant, allowing the space to be tailored to a variety of commercial or industrial uses.

Constructed with durable structural steel framing, metal siding, and a metal roof, the building offers a strong, low-maintenance exterior. It is partially insulated and features a newly paved parking lot, with public water and sewer service available.
