EXECUTIVE SUMMARY

Atlantic Capital Partners has been exclusively engaged to offer for sale JPMorgan Chase & Co. (Chase Bank) | Saginaw, MI, a single-tenant net lease investment featuring an established, high-performing branch with approximately \$160 million in deposits. The asset is leased on an Absolute NNN ground lease basis, providing investors with a fully passive income stream and zero landlord responsibilities.

The offering is backed by the corporate guaranty of JPMorgan Chase & Co. (NYSE: JPM), the largest bank in the United States, with over 5,600 branches nationwide and industry-leading deposit share. The lease provides stable in-place income with future growth through 10% rental increases in the option periods, offering durability and embedded upside over the remaining term.

Strategically positioned along Bay Road at the intersection of McCarty Road, one of Saginaw's primary retail corridors, the property benefits from strong visibility, combined traffic counts exceeding 27,000 vehicles per day, and proximity to more than 3 million square feet of retail within a one-mile radius. The branch's strong deposit base, coupled with top 15% national visitation rankings, highlights its significance within the Chase network at this location.

Saginaw, Michigan is part of the Saginaw–Midland–Bay City MSA, a regional economic hub in Central Michigan with a population approaching 400,000. Saginaw is strategically located along the I-75 and I-675 corridors, providing direct connectivity to Detroit, Flint, and Northern Michigan. This positioning supports regional commerce, logistics, and accessibility to broader Midwest population centers. The region benefits from a diverse economic base anchored by advanced manufacturing, healthcare, education, and chemical production, providing long-term employment stability and consistent consumer demand.

The broader Tri-Cities region is supported by major employers including General Motors, which maintains significant manufacturing operations in the area, and Dow Inc., headquartered in nearby Midland, one of the largest chemical companies in the world. These employers, along with a network of automotive suppliers and industrial users, underpin the region’s workforce and economic durability.

Higher education institutions such as Saginaw Valley State University and nearby Central Michigan University contribute to population stability, workforce development, and sustained retail demand throughout the region.
