RAPID COMMERCIAL & INDUSTRIAL GROWTH

Lakeville's vision for the future is to increase economic sustainability through diversified economic development. In the past decade, the city saw growth across all sectors with the addition of retail, healthcare, restaurants, manufacturing and more.

- Over 2 million square feet of industrial space was under construction, permitted or approved since 2020.
- Record setting building permit valuation in 2020 at \$442M and second highest in 2021 at \$372M.
- Over 200 acres of land were annexed into the City in 2021 to accommodate future industrial growth.

In 2021, County State Aid Highway 70 completed construction on the divided four-lane highway expansion. This improvement supports the City's rapidly growing industrial park for current and future transportation needs.

In Lakeville, 63% of the population fall between the prime working ages of 25-64 years old.

The community is forecasted to reach 83,500 residents and 24,800 employees by 2040.
