LOCATION OVERVIEW

EXTREMELY RARE OPPORTUNITY IN A LOW TRADE SUB-MARKET

Portfolio investment opportunity in the heart of Poway with strong upside potential.

Kidder Mathews is pleased to present Scripps Poway Villas & Pomerado Self-Storage, a unique investment opportunity consisting of a 56-unit apartment community and a 48-unit self-storage facility located in Poway, California. The adjacent properties provide stable cash flow and benefit from shared operations.

The apartment community has been well maintained and the majority of the units have been renovated over the years with updates to the kitchens and bathrooms. Investors have the opportunity to further increase revenue through the installation

of in-unit washers and dryers, a proven amenity that can command meaningful rent premiums.

Located in one of San Diego County's most affluent and supply-constrained submarkets, the property benefits from strong demographics, highly rated schools, and significant barriers to new development. Combined with proximity to major employment centers, retail amenities, and the Poway Business Park, Scripps Poway Villas & Pomerado Self-Storage offers a rare opportunity to acquire a well-positioned portfolio with long-term growth potential.

INVESTMENT HIGHLIGHTS

TURNKEY CONDITION WITH UPSIDE IN RENTS

Scripps Poway Villas is a well-maintained, turnkey asset with stability and potential value-add upside, including possible in-unit washer/dryer installation. Comparable properties indicate \$150-\$200 per unit/month rent premiums for an in-unit washer/dryer.

STORAGE INCOME & OPERATIONAL EFFICIENCIES

The apartment and storage assets are operated together, allowing for operational efficiencies and reduced management complexity while maintaining separate income streams and long-term flexibility.

HIGH BARRIER TO ENTRY SUB-MARKET

Poway is one of San Diego County's most supply-constrained housing markets, with limited developable land, extensive open-space preservation, and restrictive zoning that significantly curtail new multifamily development.

INVESTMENT HIGHLIGHTS

Retail corridor & local amenities

The property features excellent walkability to nearby retail/services such as Smart & Final, Dollar Tree, CVS and Coffee Bean & Tea Leaf. Per Costar, there is over ±743,000 square feet of retail within 1 mile of the subject. Additionally, over half of the city's 39.4 square miles is preserved as dedicated open space and parks.

Highly rated school district

Poway features one of the highest rated school systems in the county; Scripps Poway Villas is located within walking distance to Valley Elementary and Meadowbrook Middle School. The Poway School District is ranked in the top 5% statewide and received an overall grade of A+ for Niche.

A more detailed discussion of schools can be found on pg 41.

Outstanding demographics

Poway's median household income of approximately \$148,000 and average home values exceeding \$1.2 million reflect an affluent, high-ownership submarket that supports strong self-storage and rental housing demand driven by affordability constraints and household storage needs.

Source: Zillow April 2026 & U.S. Census Bureau, QuickFacts

There is the potential to install in-unit washers and dryers. Buyer to verify.
