Great owner-user investment opportunity in South Salt Lake! Ideal for a first-time buyer looking to build wealth through real estate. This property features four total units, including one detached unit, with a business license for all four. Currently 100% occupied with detached building on month-to-month option, allowing for owner/user to occupy that unit. Tenants pay all utilities and handle snow removal. Features include four dedicated parking spaces, low-maintenance zero-scaped grounds, newer roofs, appliances, flooring, paint, A/C, and laundry equipment. Seller financing available. Conveniently located near freeways and businesses on a quiet street. A great opportunity to own, invest, and generate income from day one. **Do not disturb tenants!!** Call broker for showings.
