# PROPERTY SUMMARY

## PROPERTY DESCRIPTION

Landair Advisors has been exclusively retained to arrange the sale of 940 East 181st Street, a 3,087 sq. ft. three-family building on an irregular 40' x 103' lot (3,366 sq. ft.) in West Farms, the Bronx. The building includes a ground-floor studio, a three-bedroom/one-bath on the first floor, and a four-bedroom/two-bath duplex. The property will be delivered fully vacant at closing.

Zoned R7-1, the site permits up to 11,579 buildable sq. ft. as-of-right or 16,863 buildable sq. ft. with UAP, presenting a compelling opportunity to redevelop ground-up or alter the existing building.

Located 0.4 miles from the West Farms Square–East Tremont Ave station (2/5 trains), the property also benefits from Bx9, Bx21, and Bx36 bus service. Bronx Park – home to the Bronx Zoo and New York Botanical Garden – anchors the neighborhood to the north, complemented by the East Tremont Avenue retail corridor, Fordham University, area schools, and Bronx healthcare facilities. Recently permitted mixed-use development throughout West Farms reflects growing investor confidence in the submarket.

\* Interior pictures coming soon – inquire!
