ABOUT AUSTIN

Austin is a region defined by stunning growth, lower business and living costs, and a youthful, well-educated population. It offers reasonably priced housing, solid schools, charming, healthy and diverse neighborhoods, and big-city amenities at a small-town pace. This atmosphere is a major catalyst in the accelerated growth Austin has seen over the years. Located on the rim of the 32,000-square-mile Texas Hill Country, Austin is the capital of Texas and home of the state's flagship university, The University of Texas at Austin.

Located in Central Texas within 200 miles of three of the 10 largest U.S. cities (Dallas, Houston and San Antonio), Austin is the 11th most-populous city and 35th largest Metropolitan Statistical Area (MSA) in the nation according to the U.S. Census Bureau. The Austin MSA includes Travis, Hays, Williamson, Bastrop and Caldwell Counties. The Austin MSA has an estimated population of 2,300,000 (Sept 2021), making it the fastest-growing metropolitan area in the country. The diversified economy is based on state government, education, technology, manufacturing, research and development, and software.

The University of Texas, and 26 other public and private universities and colleges with a combined enrollment of nearly 172,500 provide an ample supply of well-educated workers to area employers. Within 100 miles of Austin, an additional 95 four-year colleges and universities enroll over 430,000 students. Over 46% of Austin area residents age 25 and over hold a bachelor's degree (compared to the national average of 33%).

Austin is recognized for its laid-back lifestyle, natural beauty and is legendary for being the "Live Music Capital of the World." Austin draws musicians and producers from around the world and showcases their talent in clubs, restaurants, and music venues in the heart of the downtown entertainment districts and all around the Austin area, including the renowned SXSW and ACL festivals. The City boasts a professional symphony, ballet, opera and theater, and dozens of galleries showcasing local, regional and international artists. Recreational activities flourish in the area with more than 18,900 acres of city parks and greenspace, 30 miles of hiking and biking trails, 26 golf courses, three lakes within the city limits, more than 100 swimming holes, and nine wilderness areas. All of these features contribute to Austin's high quality of life, while attracting young professionals and creating a buoyant economy with tremendous growth potential.

An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.
