**LOCATION:**

Dartmouth is a most attractive coastal town in the South Hams, 25m east of Plymouth and 12m south of Totnes, which enjoys a lively seasonal trade with a resident population of over 9,000 including Kingswear 3miles from Torbay.

Townstal Industrial Estate is in the northern approach to the town which includes a park and ride, 2 supermarkets and sports centre. There are several small industrial estates with a mixture of trade counters, manufacturers, marine industry suppliers and local distributors. Nelson Road is one of such industrial estates and the property is one of the largest industrial buildings in the town. The property is found on the northern side of Nelson Road.

**DESCRIPTION:**

Food factory for sale FREEHOLD with vacant possession OR available with significant food-making and cold storage equipment. The price will depend on any equipment to be included.

Detached steel portal frame industrial building with profile steel cladding and composite roof with translucent daylight panels. Externally, the site provides an asphalt-surfaced yard which is enclosed with palisade fencing including access-controlled vehicle and personnel gates, monitored by CCTV.

**USE:**

Recently used as a specialist food processing factory, the building has substantial refrigeration and cooking facilities, information about which is available on request.

It is therefore ideally suited to its existing use but could also be used for other manufacturing falling within Class B1 or B2 (or B8 warehousing and distribution, subject to planning consent). This would offer potential for car or boat self storage site.
