# northampton business park

**800 Pavilion Drive** is situated in Northampton Business Park which is a 54 acre development of prime offices just 2 miles south east of Northampton town centre and Rail station. The A45 and A508 provide a dual carriageway route to Junction 15 of the M1 motorway approximately 3 miles due south.

Fully managed to extremely high standards, both occupiers and owners benefit from the services of the Management and Security Centre which provides 24-hour management and manned security including external CCTV coverage of all buildings on the park.

# northampton's occupational market

The Northampton office market is characterised by a significant lack of available Grade A stock and a lack of choice for occupiers looking to secure best-in-class space with strong ESG credentials.

With the right investment and overall offer, there is an opportunity to grow rents on Northampton Business Park which is evidenced by recent letting transactions.

Prime headline rents in the Northampton OOT office market achieved over £21.00 psf as a result of the letting of The View, Waterside Way to Sytner Group (The Car Shop) which was then assigned to Roeslein Associates in Spring 2022

Schroders have fully refurbished 10,900 sq.ft at Peterbridge House, The Lakes which is guided at £22.00 psf.

We are of the opinion that the ERV for 800 Pavilion Drive is £19.75 – £20.00 psf, which is supported by the recent letting to IPSL on Caswell House and other recent lettings which have increased the prime headline rents in Northampton, on refurbished stock.

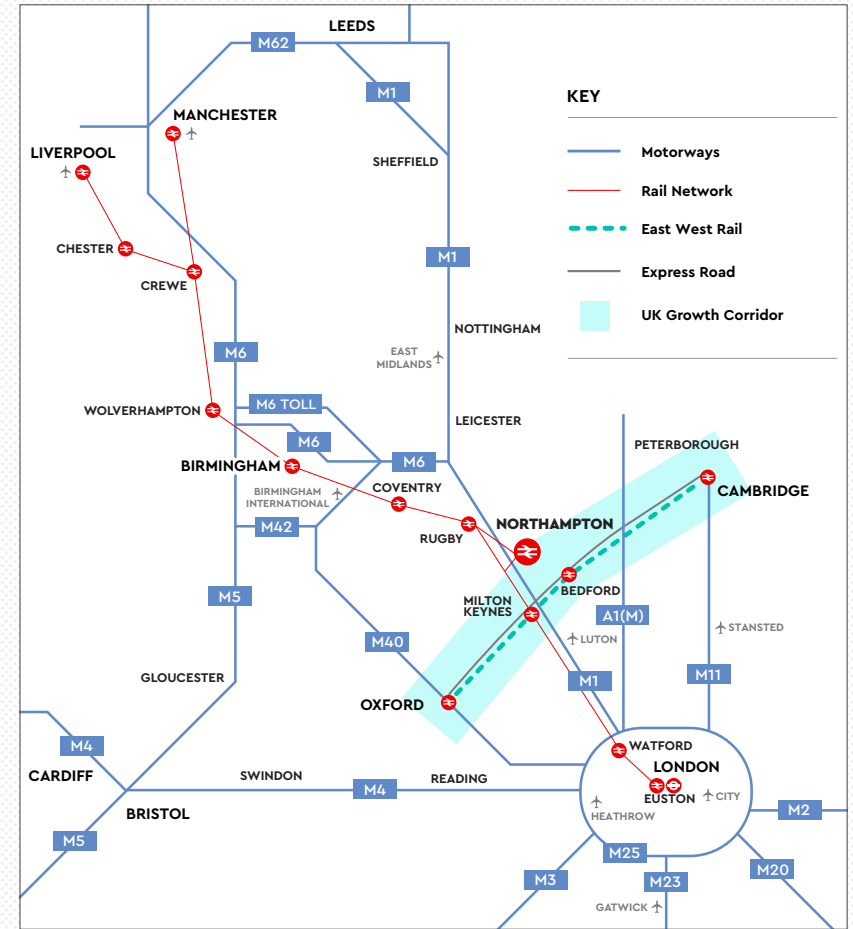

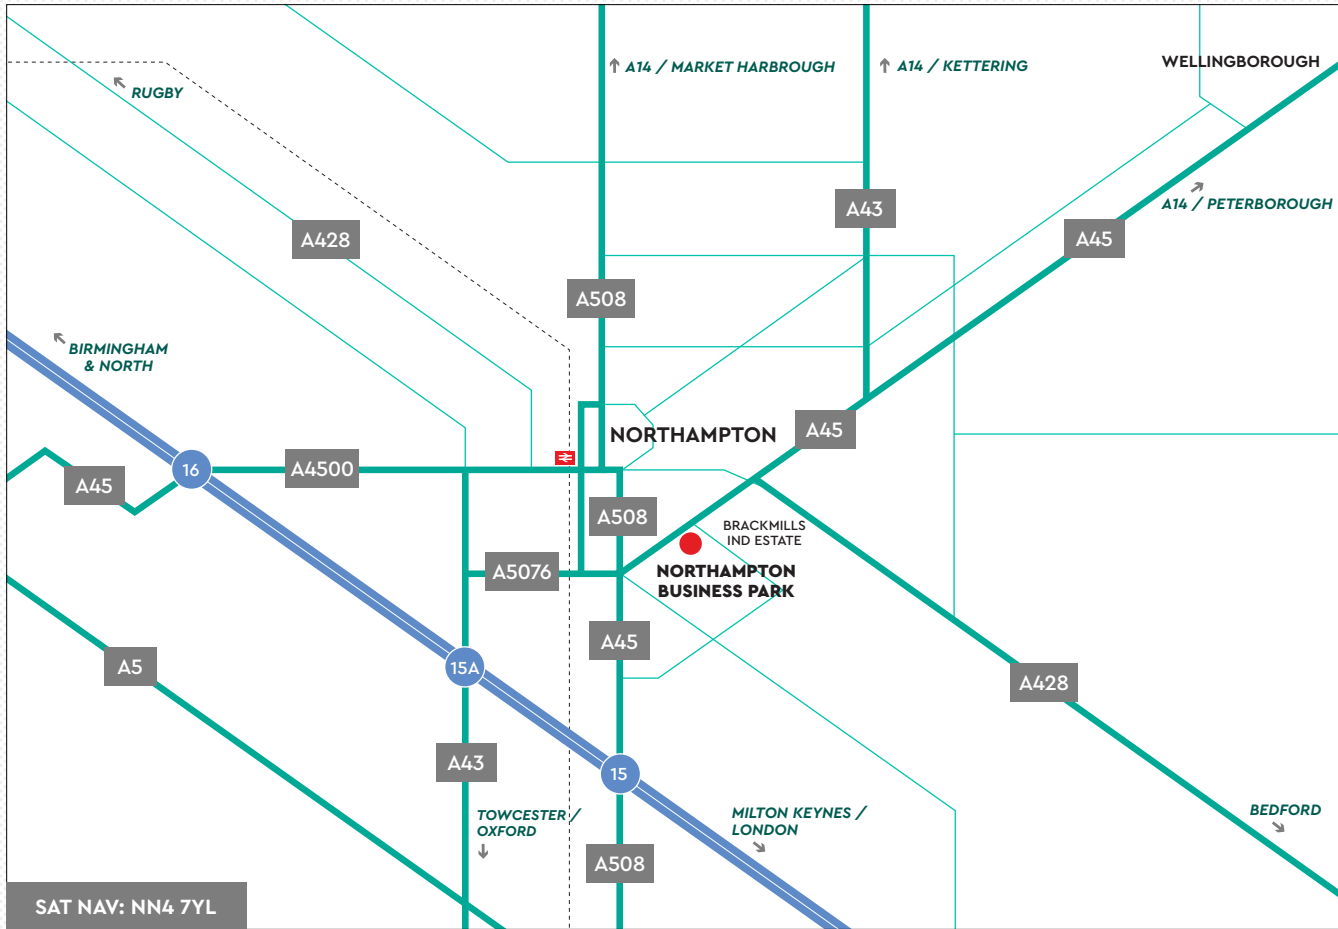

We set out to the right, key leasing transactions in the Northampton office market.

Northampton is a key business location with easy access to the motorway network and fast train services to Central London and Birmingham. Many companies from a diverse range of sectors have centred their operations in the town, taking advantage of its increasing population and one of the fastest growing universities in the country. Northampton sits within an hour of three International Airports.

Northampton is situated just to the north of the 'Oxford-Cambridge Arc' and is well-placed to benefit from resulting future business growth with its continued success being declared a 'national priority' by the National Infrastructure Commission.
