MARKET OVERVIEW

SOUTHWEST FLORIDA

Definitions of Southwest Florida vary, though its boundaries are generally considered to put it south of the Tampa Bay area, west of Lake Okeechobee, and mostly north of the Everglades and to include Manatee, Sarasota, Charlotte, Lee, and Collier counties. For some purposes, the inland counties of DeSoto, Glades, and Hendry, and the thinly populated mainland section Monroe County, south of Collier, are also included. The region includes four metropolitan areas: the North Port-Bradenton-Sarasota MSA (sometimes alternately considered a part of the Tampa Bay Area to the north), the Cape Coral-Fort Myers MSA, the Naples-Marco Island MSA, and the Punta Gorda MSA. Southwest Florida is one of the fastest-growing areas in the nation, according to the U.S. Census Bureau's most recent population estimates.

Lee and Collier counties ranked in the top 10 of the nation's fastest-growing metro areas based on population increases from July 2013 to July 2014. Census figures released today show Lee County added 18,177 people during that span, an increase of 2.7 percent, the sixth-largest increase in the country. Collier ranked No. 10 with an increase of 2.5 percent, adding an estimated 8,671 residents. The Census Bureau estimated Lee's population at 679,513 as of last July and 348,777 for Collier. If both counties grow at their same rates through July 2015 that would put Lee's population at an estimated 697,860 and Collier's at 357,496.

Southwest Florida was largely ignored by commercial developers until the late 1800s, and as such, lacks much of the heavier development present in other parts of Florida, such as that found in the central or southern regions of the state. In recent years however, there has been a major real estate boom focusing on downtown Fort Myers (high-rise residential condominiums); southern Lee County (commercial development and high-technology); eastern Collier County (residential development); and eastern parts of Bradenton.

Southwest Florida International Airport, located in South Fort Myers, served over 7.9 million passengers in 2014 and offers non-stop flights to 3 cities in Europe and 2 in Canada, in addition to 36 domestic airports. The area's secondary airport, Sarasota-Bradenton International Airport, served 2.9 million passengers in 2014. Southwest Florida is served by several major highways, including the Tamiami Trail (U.S. 41) and the Interstate 75 freeway, both of which connect the area to Tampa to the north, and Greater Miami-Ft. Lauderdale to the east. Tourism is a major economic driver in the area. In addition, many seasonal residents live in the area during the winter months, as temperatures in south Florida stay very moderate during that time of year.

*“HAPPIEST AND HEALTHIEST CITY”
– GALLUP RANKINGS*

“2ND HIGHEST MILLIONAIRES PER CAPITA”

Naples, FL is the county seat of Collier County located 40 miles south of Fort Myers in the Southwest area of the State of Florida. Known for its idyllic white sand beaches, high end shopping and entertainment, slower and relaxed pace of life, Naples is consistently recognized as one of the best places to live in the country. The quality of life, weather and opportunity for a healthy lifestyle, Naples has attracted some of the wealthiest residents in the world to call the City their home.

Naples continues to be nationally ranked in areas from wealth to lifestyle and happiness. Naples is one of the wealthiest cities in the United States, with the sixth-highest per capita income in the country, and the second-highest proportion of millionaires per capita in the US. Additionally, Naples was recently recognized as the happiest and healthiest place to live 2 years running by a national Gallup ranking. With the desirable weather and lifestyle, Naples also comes with some of the highest priced real estate in the country. Naples was recently ranked in the top ten most expensive places to buy a home in the country. It isn't a surprise that Naples has outpaced growth trends around the country. As of 2017, Naples population growth came in 40% higher than the rest of the State of Florida with that number projected to increase to 100% for the next few years.

Naples also features a number of cultural centers and organizations including The Naples Players, the Opera Naples, the Philharmonic Center for the Arts, the Philharmonic Orchestra and the Naples Jazz Orchestra.
