Description

Hanger 21 comprises a former domed hanger facility, constructed of reinforced concrete. Vehicle access is gained via full height metal sliding doors in both the front and rear elevations. Internally the storage area benefits from a maximum clear eaves height of 10m. Adjacent to the warehouse is a WC block.

The facility benefits from a 3 phase electrical power supply, warehouse lighting and oil fired heating system.

Externally there is an allocated yard area for loading and parking.
