LOCATION

Felton is a picturesque and highly sought-after village in North Northumberland, strategically situated approximately 10 miles south of Alnwick, 9 miles north of Morpeth, and 24 miles north of Newcastle upon Tyne. The Scottish border is accessible within an hour's drive to the north.

Characterised by its historic stone terraced cottages, the village is defined by the River Coquet and its two attractive bridges, with some properties dating back to the 12th Century. Felton boasts a vibrant local community and amenities, including a general store, "Beauty Above" salon, and The Gallery artist studio.

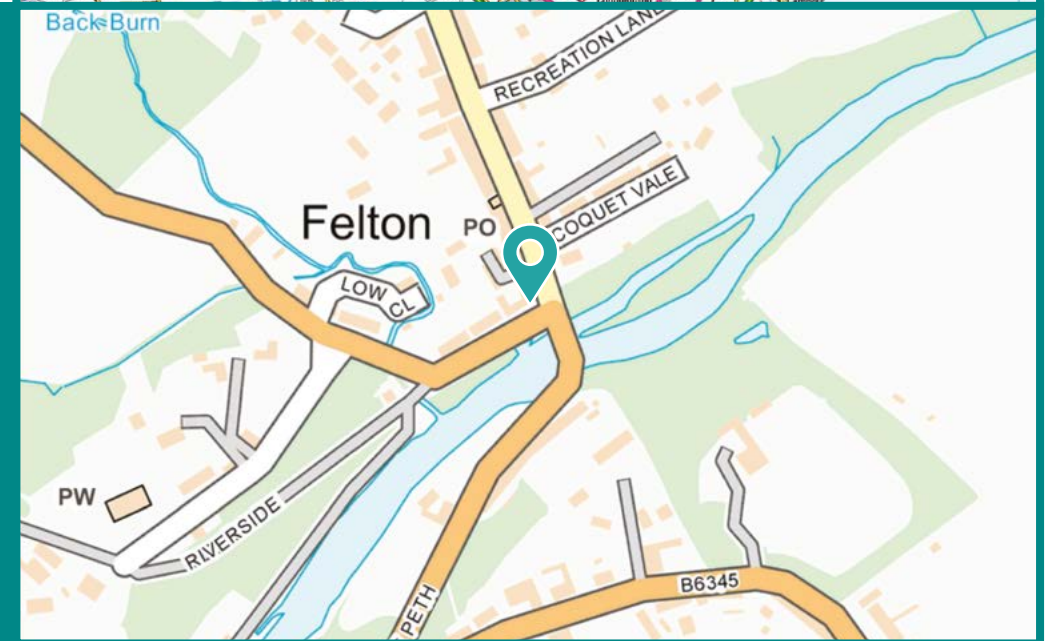

The village has good transport links, including an hourly bus service connecting Alnwick and Newcastle, while the main East Coast Main Line rail service is available at nearby Alnmouth.

SITUATION

The property occupies a very prominent position on the corner of Main Street and Riverside, offering exceptional views over the river and the village bridges. It is situated directly opposite the popular Northumberland Arms public house, driving significant footfall to the area.

The building forms a seamless part of the streetscape, connected to attractive cottages on both sides. The site comprises the entirety of 1 Main Street and 2-4 Riverside. Ample free parking is available on the street immediately fronting the property, as well as on one of the adjacent bridges.

DESCRIPTION

The subject property comprises a substantial and attractive building incorporating The Running Fox—a renowned coffee shop and artisan bakery—and The Foxes Den Micro Brewery. Internally, the property is extremely well-appointed, having been decorated and finished to a high standard throughout.

The ground floor features the main coffee shop retail area, bakery, two dedicated kitchen areas, and customer seating. The first floor provides additional seating, a secondary kitchen, and public WCs. The second floor comprises office accommodation and storage space. There is access to the basement via the ground floor coffee shop through a shared corridor, with additional independent access fronting Main Street. Externally, the property benefits from a small front garden area utilised for additional outdoor seating. We estimate the current configuration provides a seating capacity of approximately 40 to 50 covers.
