Located at 154 Bridge Street in Junior, West Virginia, this well-maintained mixed-use property presents a versatile investment or owner-user opportunity, combining commercial and residential income potential within a single asset. The property features a two-story building totaling approximately 4,800 (+/-) square feet, thoughtfully designed to accommodate both retail/restaurant operations and residential living. Originally constructed in 1999 and renovated in 2021, the building reflects modern updates while maintaining durable, functional construction.

Situated on a site with off-street parking for approximately 20 vehicles, the property offers convenient access for both customers and residents. An additional small storage building located adjacent to the main structure provides extra utility space for operations or tenant use.

PROPERTY SPECIFICATIONS

PROPERTY DESCRIPTION

The first floor is fully built out for restaurant or retail use, offering a turnkey setup for food service or similar operations. The space is equipped with a commercial-grade kitchen that includes a hood system, stove/oven, pizza oven, deep fryers, warming table, three-compartment sink, prep tables, ice machine, and multiple freezer units, including a three-door freezer and merchandise freezer. A 10' x 20' walk-in display cooler and a 6' x 8' walk-in freezer at the front of the building further enhance storage and operational efficiency. Additionally, the property includes a designated West Virginia Video Lottery room, creating an added revenue stream opportunity.

The second floor consists of a spacious 4-bedroom, 2-bathroom apartment, accessed via exterior stairs, providing privacy and separation from the commercial space below. The residential unit features a functional layout with a full kitchen, combined living and dining area, large utility room, and ample living space, ideal for an owner-operator or as a rental unit for supplemental income.

Constructed on a concrete slab foundation, the building features durable masonry construction, a wood truss system, and a metal roof, ensuring long-term structural integrity and low maintenance requirements. The property is also equipped with a security system for added safety and peace of mind.

Additionally, there is a storage shed located adjacent to the main building which is currently being used as an ice cream shop, as well as a third building on the opposite site utilized as a storage shed to the property.
