**THE RENEWAL OF PERSHING SQUARE**

Due to the revitalization of several of its neighborhoods, Downtown Los Angeles thrives with a vibrancy never seen in its history. Areas like the Old Bank District and the Historic Core were once filled with vacant buildings; now they're teeming with brand-new apartment buildings, high-end retail shops and restaurants. As a result, businesses are relocating downtown. Population has increased 150% since 2000, and continues to grow at a rapid pace. New downtown destinations like the BLOC, Grand Central Market and FIGat7th draw tourists and locals alike, both day and night.

Pershing Square Park is the heart of Downtown LA. It's also one of the few remaining areas to not receive a facelift. That's about to change. Earlier this year, an international design-team led by the Paris-based Agence Ter were selected to redesign the five-acre park using what they call a "radical flatness" to open up the space, connecting one part of the city to another, offering visitors both entertainment with concert events and relaxation with its great lawn and reflecting pool. Think of it as Central Park on the West Coast.

Other popular venues nearby include Staples Center, Dodger Stadium, Expo Park/USC, The Music Center, and Microsoft Theater.
