## DOLLAR GENERAL®

### DOLLAR GENERAL

Dollar General is a discount retailer that provides everyday low prices on name-brand products that are frequently used and replenished, such as food, snacks, health and beauty aids, as well as cleaning supplies, family apparel, housewares and seasonal items. Dollar General offers both name brand and generic merchandise — including off-brand goods and closeouts of name-brand items — in the same store, often on the same shelf. Although it has the word “dollar” in the name, Dollar General is not a dollar store by the strict definition of that term as most of its products are priced at more than \$1.00. However, goods are usually sold at set price points in the range of .50 to 60 dollars, excluding articles such as phone cards and loadable store gift cards.

Dollar General was originally founded in 1939 by Cal Turner Sr. and his father J.L. Turner in Scottsville, Kentucky as J.L. Turner & Son, Inc. The company changed its name to Dollar General Corporation in 1968. Today, Dollar General operates 21,000 stores in 43 states. Dollar General is headquartered in Goodlettsville, TN.

Dollar General is an investment grade rated company with a Standard & Poor’s rating of BBB. Dollar General is publicly traded on the New York Stock Exchange as DG with a market capitalization of approximately \$25 billion.
