Dublin, Ohio's City- Owned Fiber Optic Highway

125+ Miles

An optical fiber is a flexible, transparent fiber made by drawing glass or plastic to a diameter slightly thicker than that of a human hair. Using these thin flexible fibers with a glass core light signals can be sent with very little loss of strength.

- No cost to your business
- Increased Internet speed
- More Service Providers
- Improve building amenities

Healthy Workforce, Healthy Bottom Line

FitBiz is a complimentary service for businesses and organizations. Whether you're just starting out, we'll design a program that meets employees' needs and your business goals.

Choose from a la carte programs or create a comprehensive program. Our certified instructors, registered dietitians, and personal trainers are available to help you create a plan that works for you. Learn more about making positive changes for your business and your employees.

Permit Assistance

Dublin has organized a cross functional team called Review Services for commercial plan reviews. The team is comprised of specialists from Standards, Planning, Engineering, and the Washington Township Fire

Their purpose is to perform plan reviews in a unified and consistent fashion for compliance with building, fire, engineering, landscape and standards.

The economic development team attends permit review meetings on a regular basis to help facilitate the approval process - helping the company save time and money.

Dublin's Economic Development team helps coordinate state and local resources to drive Ohio's job creation, new capital investment, and economic growth by being a leading provider of innovative business solutions for businesses. Dublin's Economic Development team helps coordinate state and local resources for businesses as well.

Performance-Based Incentives

Dublin offers growing companies annual performance-based cash incentives based upon a percentage of actual payroll withholdings (2% of annual job and payroll growth figures provided by the company, the City will make multiple-year term annual payments equivalent to a set percentage of the total annual payroll withholdings paid to the City.

A consulting service offered exclusively for Dublin businesses. Whether you already have an existing program in place or are just starting, we offer customized corporate wellness solutions that address your company's overall wellness goals.

Programs that fit into your current wellness strategy, or let us help you start a program. We support you with nationally certified trainers and health professionals and experienced health professionals who are passionate about change in your company.

Grants

The City can help with growing pains. The City may provide a Technology Grant and/or Relocation Grant to offset moves and/or technology upgrades to facilities.

Other incentives may be available based on the company's needs and the project details. For more information, contact:

City of Dublin Economic Development
