SITUATION AND DESCRIPTION

The Business Park is located in Cavalier Road just off the main estate spine road of Battle Road and adjoining the Teignbridge Enterprise Agency complex. Heathfield occupies a most convenient position adjacent to the A38 dual carriageway, linking Plymouth and Cornwall to Exeter and the M5 motorway. Excellent road communications are therefore possible, making it a favoured site for businesses covering the whole of Devon, and benefiting from its central and strategic location. Exeter is 18 miles and Plymouth 40 miles distant. Other business centres are Newton Abbot which is approximately 5 miles and Torquay which is 12 miles distant.

The units are constructed to a good standard, comprising a steel portal frame with lower elevations of facing bricks externally to 2.2m and faced blockwork internally, to the same height, with plastic coated profiled steel cladding, incorporating an insulation quilt and internal lining to the upper elevations. The eaves height is approximately 4.7 metres. The roof has plastic coated profiled steel cladding, insulation quilt and internal lining but also incorporates approximately 10% double skin roof lights.
