- IMPORTANT NOTES:**
- A1) RLE Designs, LLC assumes no liability for any structure constructed from these drawings. The architectural drawings convey aesthetic design.
  - A2) Plans indicate locations only. Engineering aspect should incorporate actual site conditions.
  - A3) All framing member spacing and connections are to be determined by the contractor or designed by an engineer.

Execution of the Contract by the Contractor is a representation that the Contractor will perform the following:

- C1) Contractor must verify ALL DIMENSIONS. Drawings are not to be scaled.
- C2) Contractor is to report to RLE Designs, LLC any errors, omissions or inconsistencies discovered or made known to him/her in the drawings before proceeding.
- C3) Contractor shall report to RLE Designs, LLC any nonconformity discovered or made known to him/her between the drawings and all APPLICABLE BUILDING CODES.
- C4) Contractor is responsible for quality of material and workmanship.
- C5) Contractor is responsible for means and methods of construction.
