INDUSTRIAL LAND

FOR SALE

4.61 ACRES

CUSHMAN &
WAKEFIELD

// PROPERTY DESCRIPTION

Located at the southwest corner of Supertest Road and Alness Street, this 4.61-acre unimproved site is strategically positioned within one of the GTA's premier industrial nodes. The property offers immediate access to Dufferin Street and excellent connectivity to Highway 400, Highway 407, and Highway 7 via Steeles Avenue. Ideally situated between the CN MacMillan Intermodal Facility and downtown Toronto, 601 Supertest Road is well suited for logistics and transportation-oriented uses. The site's M3 zoning permits a broad range of industrial uses, including manufacturing, self-storage, transportation terminals, warehousing, and outdoor storage.

PRICE:
\$16,000,000 (\$3.45M/acre)

LAND SIZE:
4.607 Acres

ZONING:
M3 Industrial

OFFICIAL PLAN:
Core Employment

601 SUPERTEST ROAD
TORONTO, ON

// ZONING

The subject property is governed by the former municipal zoning by-law and is designated M3, which permits a broad range of uses. Outdoor storage and operations are permitted, provided they are not located within the required minimum yard setbacks and are fully enclosed by fencing with a minimum height of 1.8 metres. Prospective purchasers are advised to conduct their own due diligence to confirm zoning compliance and suitability for their intended use.

// ENVIRONMENTAL AND OFFERING PROCESS

The property at 601 Supertest Road in Toronto contains impacted soil and groundwater above the applicable Ontario site condition standards. To effectively manage these environmental impacts and ready this property for sale, the Vendor is pursuing a risk assessment. The Vendor has significant experience with the risk assessment process and can forecast potential risk-mitigating measures that may be undertaken on site to allow for continued use as a commercial property. More details can be shared with qualified buyers upon execution of a Non-Disclosure Agreement (NDA).

The Risk Assessment assumes that zoning will remain commercial. This assumption and measures are subject to final approval by the Ministry of the Environment, Conservation and Parks, which we anticipate receiving in approximately Q4 2026.

Offers will be reviewed as received. The Vendor reserves the right to respond at its discretion and intends to allow a reasonable marketing period to ensure adequate market exposure and opportunity for interested parties to submit offers.
