#### SITUATION AND DESCRIPTION

Harrier Court occupies an easily accessible location approximately just 3 miles from junction 29 of the M5 motorway, the Sowton Industrial Estate and the Exeter Business Park. Road links are good with quick and easy access to the adjacent A30 dual carriageway joining with the M5 Motorway at Exeter and Honiton and onto the M3 and into London plus the A30 to Cornwall and A38 to Plymouth. These easy connections to the principle trunk routes through the county make this an ideal base for a company covering a wide geographical area. Communications are excellent for the city with a mainline railway station (St David's - Exeter to Paddington)

Exeter is the capital city and county town of Devon and has firmly established its reputation as being the commercial centre for the South West. The city has a population of approximately 110,000 with a 'drive to work' population of some 480,000 within a 45 minute catchment area. Harrier Court comprises a mix of industrial and office users together with some high tech manufacturers and service industries. The premises have been well fitted and would therefore suit a wide variety of potential users.

#### ACCOMMODATION
