BEACON BROOKE

PROPERTY CONSULTANTS

Beacon Brooke are delighted to see continued interest in retail units across the five shopping centres that we represent.

In total, we agreed on lettings on 15 separate units throughout our portfolio, resulting in increased footfall across all centres.

This letting portfolio includes the Antonine Centre that we have been recently appointed to act on. This centre hosts a number of strong local, national & international retailers. Opportunities are now available.

PROPERTY CONSULTANTS

We currently have four new leases lined up for the Mercat Centre!

We can announce that one of these lettings is to Highland Fashion & Workwear and the further new tenants will be announced soon!

*Welcome*

PROPERTY CONSULTANTS

We have continued to generate strong interest in the Octagon Centre, which has meant that we were able to reopen a section of the first floor. This section was unused for seven years!

This will bring a whole new lease of life to the centre!

Welcome

Between the ground floor and the reopening of a section of the first floor, we have negotiated seven new leases!

SHOPPING CENTRE  
CANOLFAN Y RHOSYN GWYN

The White Rose Centre has recently achieved three new lettings and we are also in advanced discussions with several prospective tenants so watch this space!

At the moment we can announce that the first new tenant to the centre is TEDS!

*Welcome*

PROPERTY CONSULTANTS

The Howgate Centre is one of our busier shopping centres and this can be highlighted by the fact we have three leases agreed along with the prospect of a major anchor operator taking over our empty Debenhams Unit.

Many existing tenants have extended their stay and others are in discussions to take on larger units due to their increased sales.

Enquiries remain constant and we expect that a few of our larger units will be occupied very soon.

Watch this space for announcements...
