Rivergate Executive Park is a multi-building office and service-oriented commercial park located along Rivergate Parkway in the heart of the Rivergate trade area. The Property consists of five adjacent buildings offering a diverse mix of office, retail, and flex suites designed to accommodate a wide range of small business and service users.

The Property features a variety of suite sizes and configurations, including storefront retail spaces, traditional office suites, open floor plans, and flexible layouts suitable for medical, wellness, salon, showroom, professional office, and service-oriented uses. Many suites feature glass storefronts, private offices, kitchenettes, rear access, and shared common area amenities.

Positioned directly within one of North Nashville's most active commercial corridors, Rivergate Executive Park benefits from immediate access to Rivergate Parkway, Gallatin Pike, Vietnam Veterans Blvd, and Interstate 65. The Property is also strategically located near the ongoing Rivergate Mall redevelopment, a \$450M mixed-use project expected to significantly increase nearby residential density, retail activity, and long-term demand throughout the surrounding trade area.

With flexible suite options, full service gross lease structures, and strong accessibility, Rivergate Executive Park offers an increasingly rare opportunity for small and growing businesses seeking practical, well-located commercial space in the Rivergate/ Goodlettsville submarket.
