PROPERTY OVERVIEW

This 5-building* industrial property - former Lawrence Construction Headquarters - spans approximately 53 acres (~30-35 Usable) and offers an ideal setup for heavy industrial users. The site includes an office building, a large warehouse equipped with a bridge crane, an equipment service building, and two additional storage structures. Situated directly off S. Santa Fe Drive & Titan Rd., the property provides unmatched access to the Denver metro area, Castle Rock, and Colorado Springs. Additional features include an equipment wash pit, indoor/outdoor bridge cranes, above-ground gas pumps, and a fully fenced yard area, making it a rare and highly functional industrial yard opportunity in this corridor.
