Much of Lakeland's culture and iconic neighborhoods are built around the 38 named lakes found within the city.

Just as vital to the community, Downtown Lakeland is a lively and enjoyable scene for residents and visitors alike. Dubbed 'Lakeland's living room,' Downtown Lakeland truly embodies the city's community spirit. This dynamic community boasts quaint shops, casual restaurants, pubs, craft breweries, and fine-dining experiences in and around the historic brick buildings surrounding the historic Munn Park town square.

Embracing the City of Lakeland's rich history, tree-lined brick streets can be found winding through various historic neighborhoods of the community. The city is also home to several educational institutions, including Southeastern University, Florida Polytechnic University, Polk State College, and Florida Southern College, which hosts Frank Lloyd Wright's most extensive on-site collection of architecture.
