# Why This Portfolio Stands Out

## STABILIZED OCCUPANCY

All 10 residences are currently leased, providing immediate in-place rental income at closing.

## NEWER CONSTRUCTION

Completed in 2023, the buildings offer modern layouts, finishes and major systems intended to reduce near-term capital exposure.

## TENANT-PAID UTILITIES

Residents pay all utilities, limiting ownership responsibility and supporting more predictable property-level expenses.

## DESIRABLE UNIT PROFILE

Every residence offers three bedrooms, 2.5 bathrooms, garage parking, climate control and private outdoor space.

## CONVENIENT LOCATION

Quick access to I-5, Longview, schools, shopping, dining, grocery stores, a nearby golf course and everyday services.

## PORTFOLIO SCALE

Ten units provide diversification across multiple leases while remaining approachable for a private multifamily investor.

## UNDERWRITING NOTE

The operating statement reflects owner-reported property taxes and insurance totaling approximately \$44,700. No management fee, replacement reserves, vacancy allowance, repairs or capital expenditures are included. Buyers should apply their own underwriting assumptions and independently verify all income, leases and expenses.

# Kelso, Washington

## LOCATION OVERVIEW

The portfolio is positioned in the Kelso market with convenient access to Interstate 5 and neighboring Longview. Residents benefit from proximity to employment centers, schools, grocery stores, shopping, dining, parks, recreation and a nearby golf course. The location provides straightforward regional connectivity north toward Olympia and south toward Vancouver and Portland.
