Meet Brooking Square Village

INSPIRED BY NATURE

Brooking Square Village is a premier mixed-use development that was recently delivered. Located within Charleston, South Carolina's 9,000 acre master-planned community, Point Hope, Brooking Square Village features 348 luxury residential units complemented by ±18,000 square feet of Class A retail space. The retail leasing opportunity is comprised of three ±6,000 square foot single-story buildings positioned at the gateway of the development. Each building offers flexible floor plans that can be customized and subdivided to meet the specific needs of various tenants and their operational demands.

The Residences at Brooking Square Village consist of one-, two-, and three-bedroom apartments as well as three-bedroom townhomes. These four-story buildings were designed with a coastal lifestyle in mind, featuring hues of shell white, sand, and ocean. The interiors are airy, spacious, and will be professionally maintained with the utmost care. The residents of Brooking Square Village will have access to exclusive on-site amenities including pickleball courts, a resort-style saltwater pool, outdoor lounges, an activity lawn, a fitness club, a dog park and pet spa, and much more.
