DEVELOPER Initiatives

SIHI has a well-established reputation for excellence in shaping commercial properties in the Southwest. They take pride in envisioning and developing real estate that provides enhancements for today's businesses and sustainability well into the future.

Be ahead of the curve. Join SIHI in being a part of tomorrow.

SolarFit

Power your future with rooftop energy under the SIHI solar initiative, SolarFit.

Occupants can embrace sustainable energy consumption and reduce their carbon footprint, all while enjoying a predictable electric bill **without any required capital cost.**

HOW IT WORKS: Under a separate solar equipment lease agreement, SIHI builds and maintains a rooftop solar system, allowing occupants to offset a significant portion of local energy consumption.

Standard Features

SIHI's commitment to occupants' well-being and sustainable real estate includes the following standard site and building features:

- Building LEED certification
- Enhanced skylights and clerestory windows
- Spec Suites with high-end finishes
- Building LED lighting & Signature LED exterior lighting opportunity
- Rooftop SolarFit initiative
- ChargePoint Level 2 EV Charging stations
- Abundant environmentally friendly native landscaping

ChargePoint

- Latest generation of Level 2 commercial charging stations
- Per Building: 4 bollard-style stations with 2 charging ports each
- 240V | ±25 miles of range per 1 hour of charging^[1]
- ChargePoint is the first ENERGY STAR Certified EV charger
