- NOTES**
- Existing doors and exterior exits shown for representation. Each tenant space is subject to exit door/route quantity and location adjustments as required for its respective occupancy type. No A-type occupancies permissible within unlimited area tenant spaces.
 - Rated walls to run to roof deck where rated ceilings are not installed.
 - Fire rating of existing walls to be verified.
 - Existing tenant space dimensions and square footages are approximations based on existing drawings. All square footages shown to be verified by contractor prior to commencement of construction.
